## APS BRINGS YOU MORE REASONS TO CHOOSE PETRARCH & DOWNER FOR YOUR NEXT PROJECT

To celebrate 50 years, we've introduced an industry leading 50 year warranty on our Petrarch & Downer framing system.\*

Manufactured largely from crushed marble, Petrarch supports sustainable design principles, whilst Downer is composed of 100% recyclable aluminium.

As a leading UK manufacturer we're pleased to bring you a portfolio which boasts technical excellence and fire resistance whether with our complete Petrarch system, or standalone Downer rainscreen framing.

\*Try our new free to use Downer Designer tool at [downerframing.com](http://downerframing.com)
