

PROUD TO BE SHOWCASED  
ON AWARD-WINNING PROJECTS

Architectural Panel Solutions is proud to showcase our Petrarch rainscreen system on Milltimber School.

Manufactured from predominantly crushed marble, a by-product of quarrying, Petrarch supports the strong sustainable and place-making principles of this award-winning project.

As a specialist UK manufacturer of innovative cladding solutions, we're pleased to offer a portfolio boasting technical excellence, fire resistance (A2, s1-d0 according to EN13501-1).
